

## ***SHERMAN INDIAN HIGH SCHOOL (BIA) BOARDING SCHOOL***

### **Natural Resource and Alternative Energy Program**

Sherman Indian High School serves AI/AN students who come from tribes throughout the nation. The school has a comprehensive high school program with college preparatory courses, career technical courses, and the natural resource management and alternative energy program. The students are provided a rich cultural experience by the use of the traditional of local tribal groups as well as the cultural heritages that the students represent. The school is operated by the BIE, travel and all attendance costs are covered (no costs for tuition, room, board, etc.).
