

# Career Explorations

## Forensic Science

Age: 14yrs and older \$125  
June 27th – July 1st  
9am – 12pm  
Fairhope Campus  
*(All supplies will be provided during the camp.)*

Is CSI your favorite show? Come explore the field of forensic science through onsite labs, computer-aided labs and more.

## Introduction to 3D Animation Summer Camp

Age: 14yrs and older \$225  
June 13th – 17th  
9am – 4pm  
Fairhope Campus  
*(All supplies will be provided during the camp.)*

Come explore the world of 3D Animation! In this introductory camp, you will get hands-on experience with 3D Autodesk software, which is used in a number of professional studios around the world. You'll learn basic modeling and animation techniques, and gain experience creating your own art, manipulating images and graphics, and creating movement in our green screen cyclorama wall studio.

## Advanced 3D Animation Summer Camp

Age: 14yrs and older \$225  
July 18th – 22nd  
9am – 4pm  
Fairhope Campus  
*(All supplies will be provided during the camp.)*

Take your knowledge of 3D modeling and animation with Autodesk Maya and/or 3DS Max to the next level! Join us in this advanced camp as we work together on creating 3D animated shorts. This summer camp will teach working with scripts, storyboards, character design, and character to life!
