

CAR SEAT PROGRAM MOVES TO HEALTH DEPARTMENT

Participation in the Car Seat Program has been great over the past several years. The Environmental Department would like to thank each of you for doing all that you can to assure that our Tribal infants and children are safe and secure in your vehicles.

To be more in line with the functions of each department/program, the Car Seat Program has been moved to the Health Department effective April 26, 2016.

The point of contact in the Health Department will be Kay Thomas.

Please contact Kay at (251) 368-9136 x 2328 or kthomas@pci-nsn.gov to get a car seat or for any questions or concerns you may have about the program.
